re Lot 2, Con. 6.

Toronto House 1 Dec. 1829.

My Dear Sir:

The bearer John Cook (my servant) is the person whose name I gave in for purchase of a lot of land. He is extremely anxious to have it determined whether he can get it or not. Should the matter be arranged, he will pay you for two instalments but if his money is not sufficient I'll pay the balance the first time I am in Town.

P. Adamson.

Note on back - Respecting John Cook who had applied for Lot 2, Con. 6, Toronto W.C.R.

Toronto House, 7 Dec. 1829.

My Dear Sir:

On receipt of your letter I despatched my servant accompanied by another person, who found that the person that gave in his name for Lot No. 2 lives in the neighbourhood of Streetsville, that on being questioned respecting it, replied, that he had nothing to do with or about it, as he had resigned it upwards of two years since. That the people who are destroying the timber of the said lot are his brothers in law. Consequently I think there can be no further difficulty.

I have made every inquiry relative to MacLaughlan, but none of my acquaintances for 12 miles back from Dundas Street know anything of him.

re Lot 2, Con. 6.

Streetsville, 15 Dec. 1829.

Hon. Sirs:

I am solicited by an old Friend & Neighbour by the name of Jas. Graham, to write you on the subject of a reserve Lot 2, Con. 6 in Toronto W.C.R. that he paid the fees on to Col. Heward for the Lease and has Built a House and made large improvements he has lately been informed that you have sold the Lot to a man by the name of Cole.

I trust and hope this is not the case as the man is a loyal subject to his majesty and an Honest man but not rich and he wishes to inform you, as he is, and has been ignorant as to the laws hopes he will not lose his land by his ignorance and says he is willing to pay up the Rents but always supposed he would be called on for them.

Will you have the goodness on the Receipt of this write me fully on the subject that I may inform him that he may be at rest and he will be down and take his Lease (which no doubt must be ready for him) and pay up the back rents.

re Lot 2, Con. 6.

Toronto House, 24 Dec. 1829.

My Dear Sir:

My Servant has been teasing me to write you again about the Lot of Land. He is very anxious to have it decided one way or other, because at this moment there is a gang of fellows making staves on it, and destroying every tree of any value. I learn that they are expected to carry off a great part immediately, of course I'll thank you to come to a decision as soon as you can. Pardon me for troubling you so often.

Crown Land Letters

York, 6th October, 1829

Sir

I applied last winter to purchase the east half of Lot No. 5, in the 6th Con. in the Township of Toronto W. C. R., a Clergy Reserve, at which time Peter Cole applied to purchase the west half. I was then told that I should wait until the Lot would be examined and reported upon by a surveyor sent from your Office, but find that Peter Cole has had his name entered for a lease at the office of the Hon'ble G. H. Markland since -- I hope you will be good enough to let me know it has happened as I expected to have had the same chance of the Lot as any other applicant.

I am
